

Paya Announces Strategic Partnership with Software Provider AccountingSuite

May 4, 2021

Through Paya's integrated payments capabilities, collaboration enhances ease of use for AccountingSuite's clients

ATLANTA, May 04, 2021 (GLOBE NEWSWIRE) -- [Paya](#) (Nasdaq: PAYA), a leading integrated payments and commerce solution provider, announced that it has established a strategic partnership with accounting software firm AccountingSuite.

Through the collaboration, Paya's integrated payments technology will simplify and streamline AccountingSuite's payments process for its clients, as well as add advanced billing, payment management, and reporting features for both card and ACH processing. Additionally, Paya's solution and its commitment to customer service will ensure a seamless upgrade process for AccountingSuite's clients.

"We are excited about the value which Paya will deliver to AccountingSuite and its customers," said Mark Engels, Paya's Chief Revenue Officer. "We look forward not only to leveraging our payments technology to enhance AccountingSuite's offering, but also to the potential of our shared customer-first approach to offer further value to AccountingSuite's clients."

"Choosing Paya as our payment partner was an easy decision," said Ted McRae, Director of Business Development of AccountingSuite. "Not only was Paya the best option for our software suite, but their platform makes the payments process seamless for us and our clients. In addition to their superior technical capabilities, Paya's unparalleled attention to customer service aligns perfectly with our own values at AccountingSuite, and we look forward to building on our partnership moving forward."
